WELCOME TO MONROEVILLE ELEMENTARY SCHOOL

Welcome back to Monroeville Elementary School for the 2023-2024 academic year. All members of the faculty, staff and administration have pledged themselves to excellence once again this year. We hope you will do the same.

There is a rich tradition of excellence at Monroeville Elementary School. Others that came before you helped establish the tradition, and many have sacrificed of themselves to allow you to participate in this type of school. You should be proud to be a part of the Monroeville School System, but we challenge you to do one more thing this year. Do your part to maintain the rich tradition at Monroeville Elementary School. Leave a legacy for those who will come after you. Ladies and gentlemen, contribute your excellence to Monroeville Elementary School.

ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY

The Monroeville Board of Education declares it to be the policy of this District to provide an equal opportunity for all students, regardless of race, color, creed, disability, religion, gender, ancestry, national origin, place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered by Monroeville Local School. The compliance officer will ensure that Federal and State regulations are complied with and that any complaints are dealt with promptly in accordance with the law. For further questions on this matter, please call the Superintendent at (419) 465-2610.

SCHOOL DAY

The school day begins the minute you arrive on the school grounds. You are to report to your class after the doors open at 7:45 A.M. and prior to 8:15 A.M. If you report to class after 8:15 A.M., you will be considered tardy.

Students arriving before 7:45 A.M. may wait in front of the elementary school office hallway. Students must have the written permission of a teacher to be in any other area of the building prior to 7:45 A.M. Failure to comply with this rule will result in disciplinary action.

School is dismissed at 2:43 P.M. No student is to be in the building after 3:00 P.M. without proper supervision.

ATTENDANCE PHILOSOPHY

Learning activities that take place in the school classroom are a vital part of the teaching and learning process. A day lost from the classroom can never be recaptured, and the dialogue that has taken place between members of a class cannot be duplicated. Thus, attendance at each class period is very important. Section 3321.04 of the Ohio Revised Code provides that every parent, guardian, or other person having charge of any child of compulsory school age must send such child to school. The statutes governing school attendance are very specific and leave little options for school authorities to excuse children from school. Good attendance is encouraged and required in our society for an individual to be successful. The Monroeville Local School District encourages and expects students to develop good attendance habits.

DEFINITIONS

Legitimate absence – Absence of students from school at the request of the parent/guardian and with the consent of school authorities and in compliance with Section 3321.04 of the Ohio Revised Code. Absences will only be considered Legitimate “excused” when accompanied by the appropriate documentation and will not be used in determination of “Habitual Truancy” (see below). The following are considered “Legitimate” absences:

1. Personal illness (a written physician’s statement verifying the illness may be required).
2. Illness in the family necessitating the presence of the child.
3. Quarantine of the home.
4. Death in the family.
5. Necessary work at home due to absence or incapacity of the parent(s)/guardian(s).
6. Observation or celebration of a bona fide religious holiday.
7. Such good cause as may be acceptable to the Superintendent.
8. Service as a precinct officer at a primary, special, or general election in accordance with O.R.C. §3501.22(C).
9. Out-of-state travel, not to exceed 24 hours per school year that the student’s school is open for instruction, for participation in an enrichment activity approved by the Board or an extracurricular activity, defined as a pupil activity program operated by the District but not included in a graded course of study.
10. At the Superintendent’s discretion, a visit with a parent or legal guardian who is an active duty member of the Army, Navy, Air Force, Marine Corps, Coast Guard, or Commissioned Corps of the National Oceanic and Atmospheric Administration and Public Health Service and who has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.
11. Other circumstances which, in the judgment of the Superintendent, constitute a good and sufficient cause for absence from school, including, but not limited to circumstances which are out of a student’s control and which cause his/her absence due to the District’s implementation of a “Remote Learning Plan” under H.B. 164, or “Blended Learning Policy” under R.C. 3301.079, if adopted by the Board.

Non-Legitimate absences – Absence of students from school at the request of the parent/guardian and not in compliance with Section 3321.04 of the Ohio Revised Code and/or not an excused absence, as identified above. All Non-Legitimate “unexcused” absences will count toward the determination of “Habitual Truancy” (see below).

Excessive absences – An “excessive absence” is defined as any child who is: (a) absent 38 or more hours in one school month with or without a legitimate excuse; or (b) absent 65 or more hours in one school year with or without a legitimate excuse.

Truancy – Absence of students from school without the permission of the parent/guardian or school authorities. This includes leaving the building and coming back without permission. Monroeville Local Schools is a **closed campus**. Thus, once a student arrives at school they must remain unless they have permission from a parent **and** school officials.

Habitual truancy – A “habitual truant” is any child who is: (a) absent 30 or more consecutive hours without a legitimate excuse; or (b) absent 42 or more hours in one month without a legitimate excuse; or (c) absent 72 or more hours in one year without a legitimate excuse.

Tardiness – Arriving late to school, class, or other assigned areas past the scheduled time.

ALL ABSENCES ARE RECORDED AS ABSENCES REGARDLESS OF THE REASON.

PROCEDURES FOR STUDENT ABSENCES

PARENT AND STUDENT RESPONSIBILITIES

1. Excessive Absences - Attendance letters will be sent home at **30** hours to let you know you are getting close to 38 hours in a month with or without a legitimate excuse; and **50** hours for the year to let you know you are close to the 65 hours in one school year with or without a legitimate excuse.
2. Habitual Truancy - Attendance letters will be sent home at **30** hours to let you know you are getting close to 42 or more hours in month without a legitimate excuse; and **50** hours for the year to let you know you are close to the 72 or more hours in one school year with or without a legitimate excuse. In addition, if your child reaches a habitual truancy threshold, an Absence Intervention Meeting will be scheduled to discuss the truancy issues and create a plan for increased attendance. These meetings will be scheduled when you have acquired 30 hours consecutively, 42 hours in a month or 72 hours in the school year.
3. K-6 must follow this procedure if their child/children will be absent from school on that day: A telephone call to the elementary school office. This call must be received in the office by 8:30 A.M. On student’s return, a doctor note and parent note required for documentation reason as to why student was absent.
4. It is the responsibility of the student, **not the teacher**, to arrange for make-up work following an absence. No credit will be given for make-up work for an unexcused absence. Arrangements to complete this work must be made within two (2) school days following return to school or make-up privilege is forfeited.
5. Arrangements for family vacations must be made five (5) school days prior to the vacation. Students should obtain a Vacation Form in the office. It is also the responsibility of the student to make up any missed work. **It is expected that students and families will use these vacation days sparingly.** Missing extensive days of school is discouraged. Use of vacation days will be approved based on students’ academic record.
6. Leaving school for any reason after reporting to school will not be allowed unless prior approval is obtained from the office. Students who become ill after arriving at school and who wish to be excused must report to the office and arrangements will be made. It is expected that students will schedule any medical appointments when school is not in session. If that is not possible, the following procedure must be followed:
 - a. Student must bring a note to the office stating the exact location of the visit.
 - b. The note must state what time the student will be leaving school.
 - c. The note must state the approximate time of the appointment.
 - d. The student will sign out in the office prior to leaving for the appointment. Parent or Guardian will sign out the student.

NOTIFICATION OF ABSENCE

Parents of students in grades PK-6 must follow this procedure if their child/children will be absent from school on that day:

1. A telephone call to the elementary school office. **This call must be received in the office by 9:00 am.** Leave a message on the voice mail system. This can also be done the night before school.
2. A note confirming absence upon returning to school with reason for absence. All absences are considered “unexcused” unless accompanied by a doctor’s note, legal appointment note, school activity excuse, etc. (see “Definitions” above).

FAILURE TO FOLLOW THIS PROCEDURE WILL RESULT IN POSSIBLE TRUANCY INTERVENTION, AND CHARGES.

CHAIN OF COMMAND

Monroeville Local Schools has an established chain of command for addressing questions and concerns that may arise during the school year. By following this process, we can ensure that the situation will be addressed with those closest to the issue(s).

Classroom Concerns – Teacher → Counselor → Principal → Superintendent

Discipline – Teacher (if applicable) → Principal → Superintendent

DIRECTORY INFORMATION

Ohio Revised Code 3319.321 permits school districts to release directory information without permission of parents as long as it is not to any person or group for use in a profit-making plan or activity. It also states that parents have the right to object, in writing, to release of directory information. Directory information includes student name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, height and weight if a member of an athletic team, dates of attendance at the District, date of graduation, awards received, or honor rolls and scholarships. If you DO NOT wish your child's directory information to be released, please mark in appropriate area on FinalForms.

CUSTODY ORDERS

Copies of the order(s) issued by a court of law regarding student custody must be on file for students of divorced parents.

NURSE'S CLINIC

Clinic use for students who need first aid or becoming ill at school: Any student with a fever 100.0 degrees or higher, vomiting/diarrhea, will be sent home. Students' parents will be contacted first, followed by the contacts on the Emergency Medical Form. Students that are ill or sent home from school should not attend any school events until fever free for 24 hours.

MEDICATION

Students are not permitted to provide or share prescription or non-prescription drugs with other students. Doing so may result in detention, suspension, or expulsion.

Students are also required to keep all medication they are taking in the Nurse's office. School personnel will administer the medication only in accordance with Board Policy 6.34, at the written request of the physician and accompanied by written authorization from the parent. Only medication in its original container with the student's name and exact dosage will be administered. OTC medication must be labeled with the child's name and date of birth.

The administration of prescribed medication and/or medically prescribed treatments to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student or if the student would not be able to attend school without the medication. Medications must be brought into the office by an adult. At the end of the school year, parents must claim medication, or it will be destroyed.

COMMUNICABLE DISEASE CONTROL

Please check your child for signs of illness before sending him/her to school and notify the school if there is a contagious disease in your family.

1. Chicken Pox – Children may return to school after seven days if chicken pox is crusted and dry.
2. Scarlet Fever (Scarletina) – Children may return upon recovery, but no sooner than one week from onset.
3. Strep Throat – Children may return after 24 hours if they are under treatment of a physician and have no fever.
4. Vomiting – Children may return after 24 hours after last episode.
5. Diarrhea – Children may return after 24 hours after last episode.
6. Covid – Children may return after 10 days past the start of the symptoms or 10 days past positive test.
7. Eyes – Any child with reddened or inflamed eye may be excluded until the eye is completely clear or a doctor's statement is submitted allowing his or her return.
8. Skin – Any child with a skin rash or sores such as scabies or impetigo may be excluded until skin is clear or a doctor's statement is submitted allowing his or her return.
9. Head Lice – Children with head lice will be excluded from school and may return only after disinfestation is complete and the hair is "nit free."

GUIDELINES FOR TREATMENT OF HEAD LICE

Students experiencing symptoms will be checked discretely by the Nurse. Information may be obtained from the office or the Health Department on treatment of Head Lice. All directions must be followed exactly, and your child must be nit-free before he or she is allowed to return to school. Treatment may take several days. Your child will need to report to the Nurse's Clinic before returning to the classroom. Letters advising classmates of a positive case will be sent home. More information can be obtained from the office.

STUDENT CODE OF CONDUCT

It is expected that students at Monroeville Elementary School will pursue and maintain academic and citizenship excellence. In order to pursue and maintain this excellence, an atmosphere of proper decorum must be established within each classroom as well as the entire school. Hence, a Code of Conduct has been established. This Code of Conduct is applicable to misconduct by a student that occurs on property owned or controlled by the District and off of property owned or controlled by the District but that is connected to activities or incidents that have occurred on property owned or controlled by the District, and misconduct by a pupil that, regardless of where it occurs, is directed at a School District official or employee, or the property of such official or employee, and all students when properly under the authority of school personnel during a school activity, function, or event, whether on property owned, rented, or maintained by the Board of Education or property owned, rented, or maintained by another party. Additionally, the provisions of the Code shall apply to students if the prohibited act(s) takes place while on properties immediately adjacent to school property, within the line of sight of school property, on school transportation, or if the act affects the operation of the schools. Any violation of any of the terms of the following Code of Conduct may result in disciplinary action.

2. A student shall not attempt to physically attack or injure any student, teacher, or anyone else on school property.
3. No student shall participate in fighting. Fighting may be defined as participation in physical or verbal instigation. It is highly recommended that students seek adult supervision before the matter escalates.
4. No student shall show disrespect, act in defiance of authority, or fail to comply with lesser forms of disciplinary action from teachers.
5. No student shall misuse or forge school documents. These documents include attendance notes, parental notes, disciplinary forms, hall passes, or any other form pertaining to the school.

Again, this must be reported to the office immediately. All reports will be kept confidential.
10. No student will be in possession of pornographic materials.

GUM CHEWING

Due to increased technology at the elementary school level, students are no longer allowed to chew gum in the building. If a student is chewing gum, he/she will be asked to remove it. Further warnings will result in detentions or more serious action.

DETENTION POLICY

A minor offense, as determined by a teacher, may result in a detention being written by a teacher. The detention will be served with the teacher as assigned, or with detention monitor as assigned on Tuesday or Thursday.

SUBSTANCE ABUSE

In accordance with Federal law, the Monroeville Local Board of Education prohibits the use, possession, concealment, or distribution of drugs or alcohol by students on school grounds and in school sponsored activities, and students are prohibited from being under the influence of drugs and/or alcohol at any school related event. Drugs may include alcoholic beverages, anabolic steroids, and controlled substances as defined by State or Federal statute, or a substance considered to be a look alike drug. Any student who violates this policy will be subject to disciplinary action. While the District is concerned with any student who is a victim of alcohol or drug abuse, it still refuses to allow illegal substances to permeate the students of the District.

The District will facilitate the treatment process for any student who needs it. Monroeville Local Schools does realize, however, that after care is solely in the hands of those who need the help.

Violation of the aforementioned policy will be treated in the following manner.

FIRST OFFENSE

Parents will be contacted immediately upon verification of the violation of the offense. The student will be suspended for ten days, and a recommendation for expulsion will be made to the Superintendent. This recommendation will be revoked as soon as the student brings proof that he/she has enrolled in an intensive continuing program.

SECOND OFFENSE

Recommendation for expulsion will be made to the Superintendent.

DANGEROUS WEAPONS

The Board of Education will not tolerate the possession of weapons or other devices designed to inflict bodily harm by anyone while on District property, at a school related event, or while on school transportation.

This policy shall also encompass such actions as false fire alarms, bomb threats, and calls falsely reporting a dangerous condition, or verbally threatening to bring a gun or any type of dangerous weapon to school.

Demerit System for Code of Conduct for Grades 4-6 will be sent home with explanation as it is being updated for this school year. This will be sent home as a supplement to the discipline code for students in these grades.

COMPUTER NETWORK AND INTERNET

I. ACCEPTABLE USE POLICY AND AGREEMENT

The Monroeville Local Schools is pleased to make available, to all District employees and students, access to interconnected computer systems within the District and to the Internet, the world-wide network that provides various means of accessing significant educational materials and opportunities.

In order for the Monroeville Local Schools to be able to continue to make its computer network and Internet access available, all District employees and students must take responsibility for appropriate and lawful use of this access. All District employees and students must understand that one individual's misuse of the network and Internet access may jeopardize the ability of all to enjoy such access. While teachers and staff members are responsible for supervision of network and Internet access, all District employees and students must cooperate in exercising and promoting responsible use of this access. Upon reviewing, signing, and returning this Policy and Agreement, students and District employees will be given access to the network and Internet access at school and will agree to follow the Policy. If a student is under 18 years of age, he or she must have his or her parents or guardians read and sign the Policy. The Monroeville Local Schools cannot provide access to any student who, if 18 or older, or any user who fails to sign and submit the Policy to the school as directed or, if under 18, does not return the Policy and Agreement as directed with the signatures of the student and his/her parents or guardians.

Listed below are the provisions of your agreement regarding computer network and Internet use. If you have any questions about these provisions, you should contact the District Technology Coordinator to respond to your questions. If any user violates this Policy and Agreement, the individual's access will be denied, if not already provided, or withdrawn and s/he may be subject to additional disciplinary action.

a. Personal Responsibility

By signing this Policy and Agreement, you are agreeing not only to follow the rules in this Policy and Agreement, but are agreeing to report any misuse of the network to the person designated by the School for such reporting. Misuse means any violations of this Policy or any other use that is not included in the Policy, but has the effect of harming another or his or her property.

b. Term of the Permitted Use

As part of the educational process, we understand that students and District employees should have access to educational material, and by signing and returning this form, the students and District employees will be granted that access. Students will be asked to sign a new Policy and Agreement each year during which they are students in the Monroeville Local Schools before they are given access.

c. Purpose and Use

The School District is providing access to its computer networks and the Internet for *only* educational purposes. If you have any doubt about whether a contemplated activity is educational, you may consult with the District Technology Coordinator or the person(s) supervising the activity to help you decide if a use is appropriate. No web browsing software which bypasses the filtering system can be installed on computers used or located within the Monroeville Local Schools.

II. NETIQUETTE

All users must abide by rules of network etiquette, which include:

- a. Use of appropriate language. No swearing, vulgarities, suggestive, obscene, belligerent, or threatening language. Don't use language that is offensive to others, or make ethnic, sexual preference or gender-related slurs or jokes.
- b. Be safe. In using the computer network and Internet, do not reveal personal information such as your home address and telephone number.

Even if materials on the networks are not marked with the copyright symbol, you should assume that all materials are protected unless there is explicit permission on the materials to use them.
- d. Uses that cause harm to others or damage to their property. For example, don't engage in defamation (harming another's reputation by lies); employ another's password or some other user identifier that misleads message recipients into believing that someone other than you is communicating or otherwise using his/her access to the network or the Internet; upload worms, viruses, trojan horses, time bombs, chain letters, or other harmful programming or vandalism. Don't disclose or share your password with others; don't impersonate another.
- e. Uses that access controversial or offensive materials. It is understood that access is designed for educational purposes, and precautions have been taken to eliminate controversial material. However, it is also recognized it is impossible to restrict access to all controversial materials, and every user must take responsibility for his or her use of the computer network and Internet and stay away from these sites.
- f. Uses that are commercial transactions, product advertisement, or political lobbying.

III. Privacy

Electronic transfer and storage of information is provided as a tool for your education. The Monroeville Local Schools reserves the right to monitor, inspect, copy, review, and store at any time and without prior notice any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the Monroeville Local Schools, and no user shall have any expectation of privacy regarding such materials.

IV. Failure to Follow Policy and Breach of Agreement

A user who violates this Policy and breaches his/her Agreement shall, at a minimum, have his or her access to the computer network and Internet terminated, which the Monroeville Local Schools may refuse to reinstate for the remainder of the user's tenure in the Monroeville Local Schools. A user breaches his or her Agreement not only by affirmatively violating the above Policy, but also by failing to report any violations by other users that come to the attention of the user. Further, a user violates this Policy and Agreement if he or she permits another to use his or her account or password to access the computer network and Internet, including any user whose access has been denied or terminated. The Monroeville Local Schools may take other disciplinary action.

V. Warranties/Indemnification

The Monroeville Local Schools makes no warranties of any kind, either express or implied, in connection with its provision of access to and use of its computer networks and the Internet provided under this Policy and Agreement. It shall not be responsible for any claims, losses, damages, or costs (including attorney's fees) of any kind suffered, directly or indirectly, by any user or his or her parent(s) or guardian(s) arising out of the user's use of its computer networks or the Internet under this Policy and Agreement. By signing this Policy and Agreement, users are taking full responsibility for his or her use, and the user who is 18 or older, or, in the case of a user under 18, the parent(s) or guardian(s) are agreeing to indemnify and hold the School, Monroeville Local Schools, Northern Ohio Educational Computer Association that provides the computer and Internet access opportunity to the Monroeville Local Schools, and all of their administrators, teachers, and staff harmless from any and all loss, costs, claims, or damages resulting from the user's access to its computer network and the Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user. The user, or, if the user is a minor, the user's parent(s) or guardian(s) agree to cooperate with the School in the event of the School's initiating an investigation of a user's use of his or her access to its computer network and the Internet, whether that use is on a School computer or on another's outside the School District's network.

Users, and if appropriate, the user's parents/guardians, may be asked from time-to-time to provide new or additional registration information or to sign a new Policy and Agreement, for example, to reflect developments in the law or technology.

USER AGREEMENT: Every student, regardless of age, and District employee must read and sign below for access to Internet and the District network: I have read, understand, and agree to abide by the terms of the foregoing Acceptable Use Policy and Agreement.
