OR You may make payments using a bank card or electronic check using the K12 payment system found on the school website at www.monroevilleschools.org/foodservice The K12 system will also allow you to see your child's cafeteria balance including what he/she is purchasing in the cafeteria.*

*Menu may change due to availability of products. "Offer vs. Serve" is a provision of the National School Lunch Program that allows students to refuse up to two items of the lunch menu and one item from the breakfast menu. If a child refuses one or two items the full price is still charged, therefore we encourage students to take the full meal. Milk: .50
