

# Coaching Guidelines

---

## ***The Reader:***

- Holds the book.
- Points to each word as he or she reads it (Levels Y–G).
- Tries to figure out a word he or she doesn't know.
- Asks for help if the word is too hard.

## ***The Coach:***

- Holds the Logsheet.
- Listens to *every* word the reader reads.
- If the reader makes a mistake, the coach:
  - Says, "Oops! Try that again."
  - Says, "Try making the first sound."
  - Says, "Try looking at the picture for clues."
  - Tells the reader the word.
- Helps the reader (if necessary) write the titles on the Logsheet *after* the reader reads the book. (Just one title for each Step—15 minutes of reading.)
- Signs the Logsheet.
- Sees the *good* things the reader does and says nice things to the reader.
