Ms. Replogle

Welcome to Crafts

Crafts is a full year course concerned with developing skills in craftsmanship as well as techniques for working with a variety of craft materials. During this course we will build upon and increase your knowledge of the elements of art with the main emphasis placed on learning the techniques necessary to execute projects such as painting, weaving, collage, stitchery, ceramics, quilling and other related crafts. You will learn terms and cultural heritage associated with various projects. Art history and artists will also be used as important references. (The materials for many projects can be expensive. There will be times when you will be expected to furnish some supplies in addition to the art fee already paid.)

Homework-

Occasionally, you will have research assignments to aid in the completion of classroom projects. You will have assignments from class that will need to be worked on outside of the regular school day; this will depend on how well you utilize class time. Late homework will follow the school homework policy on page 16 of the student handbook. SOAR will be used when needed to catch up on missing or late work. *Be aware of the PBIS Incentive Program for earning a Gold, White or Black card which will earn you individual class privileges or exemptions.

Attendance-

This is a studio course based mainly on teacher demonstrations, class discussions and studio projects; a day lost from this classroom can never be recaptured. The learning activities and demonstrations that take place in the classroom or virtually are a vital part of the teaching and learning process. Please try to be present so as not to lose out on important instruction. Remember that it is the responsibility of the student, not the teacher, to arrange for make-up work following an absence. As per our PBIS program, tardiness to individual classes will be recorded in ProgressBook daily. Tardies of 3 or more will be reported to the high school office for discipline action.
